Cutest Anime Girl 2007 contest starting immediately

All Anime World.org announces the beginning of the «Cutest Anime Girl 2007» contest, which will take place from December 10th 2007 to January 6th 2008.

During this period of time, all those interested in participation will be able to vote at AllAnime.org on which anime female character they consider to be the cutest one of all. The contest is open to all anime girl characters of all time, and not only to those from the series that aired this year.

The voting will be open to all those who wish to participate, which means that both *guests* and registered members of AllAnime.org *can vote*. The registered members of the site who do cast their ballot, however, will then become eligible to win an original region 1 DVD of Hayao Miyazaki's "Castle of Cagliostro". The winner of the DVD will be drawn from among the ranks of the registered members who voted.

Starting immediately, All Anime.org will accept the submission via e-mail of names of anime characters which can be considered as «cute.» The top choices will then be submitted to the appreciation of the voters from the 10th December to the 6th of January, with the poll taking place at the following URL:
